RESPONSE TO OFFICE COMMUNICATION

TO THE COMMISSIONER FOR PATENTS,

SIR:

In response to the Office communication dated July 8, 2008, applicants point out that their reply (Amendment E) filed **April 2, 2008** could not have included the substance of the interview, which was conducted on **May 28, 2008** and therefore is respectfully submitted as fully responsive.

An Interview Summary was prepared by the Examiner and mailed June 4, 2008.

Since a reply to the last Office action had already been filed, applicants filed a Telephone Interview Summary with the U.S. Patent and Trademark Office Electronic Business Center on July 7, 2008 setting forth a complete and accurate record of the substance of the interview conducted May 28, 2008. This Telephone Interview Summary was filed within the period of one month or thirty days of the mailing date of the Interview Summary prepared by the Examiner.

\* A copy of the EFS Acknowledgement Receipt for the Telephone Interview Summary filed July 7, 2008 is attached.

In view of the above, applicants respectfully submit that a complete and accurate record of the substance of the interview

conducted May 28, 2008 has been timely submitted by applicants. Accordingly, applicants request withdrawal of the requirement to supply an omission or correction as set forth in the Office communication dated July 8, 2008.

Applicants look forward to the next action on the merits and response on the record to the arguments set forth in Amendment E, filed April 2, 2008.

Respectfully submitted,

/Vincent M. Keil/
